

Career Counselling

Our institution initiated Career Oriented Guidance and Counselling Programmes. The purpose of these structured programmes is to help the students in the proper choice of course and their career development. The Placement Cell, Admission Committee and Entrepreneurship Development Cell jointly take steps to enhance the capabilities and skills of the students so that they can establish their identity by choosing a suitable career.

OBJECTIVES

- Through this programme, students are made aware of professional avenues available according to their capabilities.
- It helps in solving their confusion of choosing right career.

SCHEME

- Exposure of industrial visits helps students in choosing their career
- Mock Interviews are conducted
- Career oriented seminars are also organized
- Personality Development workshops are organized at regular intervals
