

Facilities for the differently-abled

Differently-abled students are provided special resources in the Institution. Special aids are provided to these students, to move about and make their stay expedient in the college, including:

- Provision of wheel chair
- Arrangement of classes on the ground floor
- Special seating arrangement inside the classrooms (especially in Performing Arts), Library, Music Room, etc.
- Separate section in the Physiotherapy Department, catering to their needs
- Braille software in the Library
- Allocation of separate rest rooms
- Scribes for examination
- MS Office module for the visually impaired students
